Licenses & certifications

Claude with Google Cloud's Vertex AI

Anthropic
Issued Aug 2026

Show credential

Skills: Vertex AI

Claude on Google Cloud - Certificate of Completion
Technical certification (93 lessons) on integrating and scaling AI models within the Google Cloud ecosystem. Expertise in Vertex AI configuratio...

Claude with Amazon Bedrock

Anthropic
Issued Aug 2026

Show credential

Skills: Retrieval-Augmented Generation (RAG), Amazon Web Services (AWS)

Claude with Amazon Bedrock - Certificate of Completion
Technical certification (83 lessons) on architecting and deploying AI solutions within the AWS ecosystem. Validated expertise in AWS ...

Introduction to Subagents

Anthropic
Issued Aug 2026

Show credential

Skills: Context Window Management, Technical Delegation

Introduction to Subagents - Certificate of Completion
Technical certification on architecting modular AI workflows using subagents. Expertise in implementing separate context windows for ...

Introduction to Agent Skills

Anthropic

Issued Jul 2026

Show credential

Introduction to Agent Skills - Certificate of Completion
Technical certification on formalizing and scaling AI agent capabilities. Expertise in building reusable Skills using the SKILL.md specification, ...

Model Context Protocol: Advanced Topics

Anthropic

Issued Jul 2026

Show credential

Skills: Asynchronous Python

Model Context Protocol: Advanced Topics - Certificate of Completion
Advanced technical certification on architecting production-grade AI infrastructure. Expertise in implementing Sampling (shifting AI inferenc...

Introduction to Model Context Protocol (MCP)

Anthropic

Issued Jul 2026

Show credential

Skills: Python (Programming Language), AI Agents

Introduction to Model Context Protocol - Certificate of Completion
Technical certification on architecting MCP servers and clients using the Python SDK. Expertise in implementing MCP primitives—tools, ...

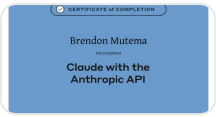

Building with the Claude API

Anthropic

Issued Jul 2026

Show credential

Skills: Retrieval-Augmented Generation (RAG), Application Programming Interfaces (API), +2 skills

Building with the Claude API - Certificate of Completion
Technical certification (85 lessons) on architecting LLM-integrated systems. Validated expertise in RAG pipelines, Model Context Protocol ...

Claude Platform 101

Anthropic
Issued Jul 2026

Show credential

Skills: Tool Use (Function Calling), Application Programming Interfaces (API), +1 skill

Claude Platform 101
Technical certification on architecting LLM-driven applications using the Claude Developer Platform. Key competencies include building manua...

Claude Code in Action

Anthropic
Issued Jul 2026

Show credential

Skills: GitHub

Claude Code in Action - Certificate of Completion
Intermediate technical certification on architecting autonomous AI development workflows. Key competencies include implementing MC...

Claude Code 101

Anthropic
Issued Jul 2026

Show credential

Skills: Software Development, Version Control (Git), +1 skill

Claude Code 101 - Certificate of Completion
Technical certification on implementing AI coding agents within terminal and IDE environments. Covers context window management, ...

AI Fluency for Builders
Anthropic
Issued Jul 2026

Show credential

Skills: AI-Assisted Development

AI Fluency for Builders - Certificate of Completion
Technical certification focused on the professional integration of AI into the full software development lifecycle. Covers the engineering ...

AI Fluency for Nonprofits
Anthropic
Issued Jul 2026

Show credential

AI Fluency for Nonprofits - Certificate of Completion
Technical certification on applying the 4D AI Fluency Framework to mission-driven organizations. Focuses on ethical AI integration, ...

Teaching AI Fluency
Anthropic
Issued Jul 2026

Show credential

Skills: Mentoring

Teaching AI Fluency - Certificate of Completion
Technical certification on instructor-led methodologies for assessing human-AI collaboration. Focuses on designing assignments and ...

AI Fluency for Educators
Anthropic
Issued Jul 2026

Show credential

Skills: Technical Communication

AI Fluency for Educators - Certificate of Completion
Certification focused on the strategic application of AI in academic environments, including curriculum design, learning outcome ...

AI Fluency for Small Businesses
Anthropic
Issued Jul 2026

Show credential

AI Fluency for Small Businesses - Certificate of Completion
Technical certification on applying the 4D AI Fluency Framework to commercial operations, focusing on resource optimization, back-office...

AI Fluency for Students
Anthropic
Issued Jul 2026

Show credential

AI Fluency for Students - Certificate of Completion
Certification on applying generative AI frameworks to accelerate technical research, optimize learning loops, and manage career ...

Introduction to Claude Cowork
Anthropic
Issued Jul 2026

Show credential

Skills: Workflow Automation, Team Collaboration

Introduction to Claude Cowork - Certificate of Completion
Technical certification on configuring collaborative AI environments, creating custom plugins for technical workflows, and integrating AI ...

AI Capabilities and Limitations

Anthropic

Issued Jul 2026

Skills: Risk Assessment

AI Capabilities & Limitations - Certificate of Completion
A technical overview of the logical boundaries, data constraints, and performance limitations of modern large language models....

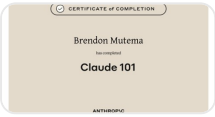

Claude 101: Professional Implementation

Anthropic

Issued Jul 2026

Show credential

Skills: Workflow Automation, Prompt Engineering

Claude 101: Professional Implementation - Certificate of Completion
Technical certification focused on environment configuration, knowledge base construction (Claude Projects), and automated ...

AI Fluency: Framework & Foundations

Anthropic

Issued Jul 2026

Show credential

Skills: AI Ethics, Generative AI

AI Fluency: Framework & Foundations - Certificate of Completion
Verified certificate from Anthropic Academy covering the strategic integration of AI into technical workflows using the 4D (Delegation, ...
